THE LIGHTING QUOTIENT

Golub Corporation, Schenectady, NY

- 100,464 square feet of open office on 5 floors
- Over 1,200 tambient luminaires
- Nearly 500 dimmable luminaires in daylight zones

- Features tambient control hubs, photo sensors and occupancy sensors
- With underfloor air and power, choosing tambient significantly reduced overall installation and maintenance costs

Architect: Facilities Design Group

Lighting Designer: Golub
